SKILLS SUMMARY

- **Languages:** C/C++, Python, Java, JavaScript, HTML/CSS, PHP
- **Databases:** SQL, MongoDB, Firebase
- **Frameworks & Libraries:** Node.js, React, Express, React-Native, Next.js
- **Developer Tools:** Git, Docker, Github Actions, VS Code, Vercel, Postman, Xcode
- **Soft Skills:** Adaptability, Time Management, Leadership

WORK EXPERIENCE

SDE Intern | Summer Internship | [LINK](#)

June'2026 – Aug'2026

Fern Holidays International

- Designed, developed, and maintained the company website using **HTML5**, **Tailwind CSS**, and **JavaScript**, delivering a responsive UI and **SEO**-optimized pages that improved **load performance by 30%** and increased **search visibility by 25%**.
- Managed complete **PHP backend** and **database operations**, optimizing data structures, queries, and security workflows to enhance system reliability and **reduce response time by 35%**, ensuring seamless integration between frontend and backend.

Full Stack Developer | Freelancing | [LINK](#)

Mar'2026 – Present

Power24x7

- Oversaw **PHP backend** workflows and **database management** by structuring **SQL** data, optimizing queries, and strengthening security, resulting in **40% faster data processing** and **50% more stable system performance** through smoother frontend–backend communication.
- Built and continuously enhanced the company website with a fully responsive interface and optimized user flow, improving **load speeds by 35%**, increasing **search ranking visibility by 20%**, and boosting **user engagement by 25%** through **SEO**-driven updates.

PROJECTS

Uni Portal | *React, TypeScript, Tailwind CSS, HTML5, MongoDB, Node* | [Github](#) | [LINK](#)

Nov'2025

- Developed a full-stack university portal with role-based access, including **Admin**, **User**, and **Proposal dashboards**.
- Integrated dynamic data handling and **real-time updates** to enhance **user interaction** and **engagement**.
- Streamlined the entire event lifecycle by enabling easy **event publishing**, **registration**, and **tracking**, **improving coordination** and **participation** across the campus.

Game Strategy Assistant | *JavaScript, HTML5, Client–Server Workflow, UI/UX, Git, APIs* | [Github](#) | [LINK](#)

Apr'2025

- Developed an interactive **chatbot** with a persistent conversation history, enabling users to access previous suggestions and improve overall engagement and usability.
- Implemented a structured and scalable workflow for handling **user queries**, **responses**, and **history updates**, resulting in a more organized interface and smoother feature expansion.
- Interaction Engine, **Event-Driven Architecture**, **DOM Rendering**, History Persistence Layer, **Data Flow Optimization**, Component-Based UI Structure.

Stay Home | *HTML5, JavaScript, Tailwind CSS, Responsive UI Design, PHP* | [Github](#) | [LINK](#)

Apr'2025

- Built a **multi-page** platform with structured navigation and clear content flow to enhance overall usability.
- Implemented **reusable layouts** and interactive components, enabling consistent design, quicker updates, and a **scalable framework** for future features.
- Integrated interactive features such as **form handling**, **dynamic content sections**, and an **admin-oriented layout**, improving engagement.

CERTIFICATES

• C Programming | CSE Pathshala | [LINK](#)

Jun'2025 – July'2025

• Privacy and Security in Online Social Media | NPTEL | [LINK](#)

Jan'2025 – Apr'2025

• MERN Stack | Digicoders | [LINK](#)

Oct'2023 – Mar'2024

• The Complete Flutter and Dart App Development | Infosys Springboard | [LINK](#)

Jan'2024 – Feb'2024

ACHIEVEMENTS

- Accepted into the **Google Developer Program**, earning 4 badges and completing skill assessments in web development and AI.
- Built and published **Google-aligned projects** and earned achievements on the **Google Developer Profile**.

EDUCATION

Lovely Professional University

Punjab, India

Bachelor of Technology in Computer Science — **CGPA: 6.99**

Aug'2023 – Present

Morning Star Senior Secondary Academy

Uttar Pradesh, India

Intermediate — **Percentage: 72%**

July'2020– May'2022

Morning Star Senior Secondary Academy

Uttar Pradesh, India

Matriculation — **Percentage: 89%**

July'2018 – May'2020
